AGENDA

2:30 Welcome, Introductions, and Announcements

2:40 BARHII DC members general updates

2:50 Presentation: Sugar -sweetened Beverage (SSB) Tax and Health Berkeley Impact Evaluation Design – Rebecca Fisher, City of Berkeley Public Health Division

Update on the current evidence regarding the impacts of the Berkeley SSB tax and the Healthy Berkeley Initiative (tax-funded grants to community agencies) on consumption behaviors and associated health outcomes. The presentation will be followed by a discussion around designing evaluation to measuring the impact of SSB taxes and community-based programs to reduce SSB consumption on these same outcomes.

3:40 Presentation: Association of Bay Area Governments (ABAG)/Metropolitan Transportation Authority (MTA) Housing Data Portal – Gillian Adams, ABAG

Presentation will feature a tour of their online data portal, which maps all housing permits issued in 2014-2016 and can be used by jurisdictions to determine if the Regional Housing Need Allocation (RHNA) goals are being met. The portal also shows policies that Bay Area jurisdictions have adopted.
