## AGENDA

- 2:30 Welcome, Introductions, and Announcements**
- 2:35 BARHII DC members general updates**
- 2:40 Presentation: Race, Inequality, and the Resegregation of the Bay Area – Bob Allen & Tony Samara, Urban Habitat**  
Released by Urban Habitat in November 2016, *Race, Inequality, and the Resegregation of the Bay Area* reveals the new geography of race and class segregation throughout the region, highlighting key inequality trends across urban and suburban areas in 11 Bay Area counties from 2000 to 2014. Urban Habitat staff will discuss the report's origins, its key findings, and how it's helped shape development of our current regional equity agenda with a particular focus on suburban communities.
- 3:30 Presentation: The Healthy Communities Data and Indicators Project: Measuring Social Determinants of Health in California to Inform Planning and Policy– Madhurima Gadgil, California Department of Public Health**  
The Healthy Communities Data and Indicators Project (HCI) provides indicator datasets for the surveillance of social determinants of health. Indicators measure key attributes of a healthy community across domains including basic needs, quality and sustainability of the environment, economic and social development, and health and social equity.
- 4:20 Planning for next BARHII meeting**
